MEMORANDUM FOR: Acting Director of Central Intelligence

SUBJECT: Inspector General's Survey of the Office  
of the Deputy Director, Intelligence

REFERENCE: Memo of 10 September 58 from ADGI, this subject.

1. The memorandum of the Acting Director asked the DI/P to consider and advise the DCI concerning paragraph 8 of the DI/I's 22 August memorandum to the DCI commenting on the Inspector General's report. An extract of paragraph 8 is attached for the ADGI's convenience.

2. I am inclined to concur in the comment of the DI/I as reflected in the attachment. I believe that the Strategic Intelligence Officers currently abroad are actually performing the on-the-spot analyses of current situations which the IG's report recommends. I am not aware of any deficiencies in this respect and, on the contrary, the work performed by these officers appears to be in line with the general sense of the IG's recommendations. I agree with the DI/I that the proposed modification of the SIO program would tend to reduce the flexibility which the SIOs now have to serve the Chiefs of Station most usefully.
